2 Question Rule

Based on Baker, J.E. (2003). <u>Social Skills Training: For Children and Adolescents with Asperger</u> <u>Syndrome and Social-Communication Problems</u>. Shawnee, Kansas: Autism Asperger Publishing Company

- 1. When others greet you, greet them back
 - Example: If they say "Hello," then you say "Hello" back to them.
- 2. **Two-Question Rule**: When others ask you a question, you answer it and then you ask them the same or closely related question right back.

- Example: "How are you." / "Fine. How are you?"
- Example: If they say, "What's your favorite TV show?" You answer them and then you ask them the same question: "My favorite TV show is _____. What's your favorite TV show?"
- Write the questions down ahead of time and prompt the child to repeat it after they answer the question.

Sample Questions:

- What is your favorite TV show?
- What is your favorite food?
- What time do you go to bed?
- What is your favorite song?
- What is your name?
- Who is your favorite teacher?
- What did you have for breakfast?
- How was your weekend?

What do I learn about my friend and What does my friend learn about me

when we use the 2QR?

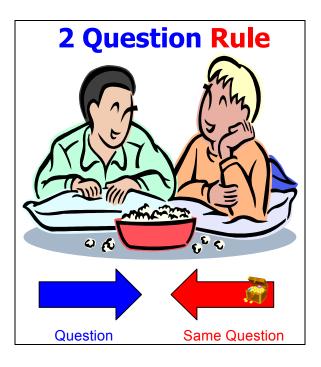

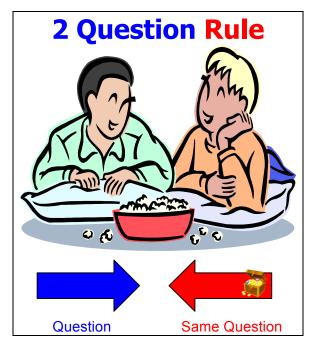

Our birthdays		Fill in some more things
	What each of us will	that friends learn about each other:
Favorite game	wear for Halloween	
Favorite teacher		
	What each of us	
Favorite sport	want to play next	
Lots of favorites		
	What we don't like	
How old we are		
	Do we watch TV? If	
What each of us did	so, What TV shows	
last weekend		
	What kind of video	
What each of us will	games do we both	
do this weekend	like
