

Silly vs. Funny

By 2nd Grade silly talk and noises are **Out** ...*That's so KG and 1st Grade.*

And by 3rd Grade *Big Boy* and *Big Girl* Talking is **In**

Friends can still be funny with each other.

But - what is the difference between being 3rd Grade Funny and being KG / 1st Grade Silly?

<p>Funny</p> 	<p>Silly</p> 
<p>Value: Value offered by making people smile and laugh about something that is truly funny</p> 	<p>Value?: No real value offered by being silly.</p>
